26.08.2019

Konu : Türkiye – Çekya İş Forumu, 4 Eylül 2019, İstanbul Hk.

SİRKÜLER No: 564 / 2019

İlgi: Dış Ekonomik İlişkiler Kurulu'nun (DEİK) 23.08.2019 tarihli yazısı ve Eki.

**Sayın Üyemiz,**

İlgi yazı ile, Çek Cumhuriyeti Başbakanı Sayın Andrej BABIŠ'in resmi ziyareti kapsamında DEİK/Türkiye – Çekya İş Konseyi ve Çek Ticaret Odası'nın (Komora) işbirliğiyle, 4 Eylül 2019 Çarşamba günü Swissotel The Bosphorus Otel'de "Türkiye – Çekya İş Forumu"nun gerçekleştirileceği bildirilmektedir.

Çek Cumhuriyeti Başbakanı Sayın Andrej BABIŠ, T.C Ticaret Bakanımız Sayın Ruhsar PEKCAN ve Çek Cumhuriyeti Sanayi ve Ticaret Bakanı Sayın Karel HAVLÍCEK'in onurlandırmalarıyla gerçekleştirileceği belirtilen söz konusu iş forumuna katılım sağlayacak önde gelen Çek firmaları ile ikili görüşmeler gerçekleştirilmesi imkanı sunulduğu ifade edilmektedir. Çek heyetinde ağırlıklı olarak enerji, savunma ve havacılık sanayi, otomotiv, motorlu taşıtlar ve tedarik sanayi, inşaat ve alt yapı, bankacılık ve finans, elektrik ve mühendislik sistemleri, lojistik ile ileri teknoloji alanlarında faaliyetleri bulunan firmaların yer alacağı belirtilmektedir.

Türkiye ve Çekya arasındaki ticari ve ekonomik hareketliliğe önemli ivme katacağı belirtilen söz konusu İş Forumu'na hâlihazırda Çekya ile iş yapan veya yatırım ve ticaret imkânları konusunda bilgi sahibi olmak isteyenlerin katılım için Ek'te (Ek-1) yer alan kayıt formunu doldurması ve toplantı katılım bedelinin kayıt formunda belirtilen DEİK hesap numarasına **2 Eylül 2019 Pazartesi günü mesai bitimine** kadar ödenmesi gerektiği hususu ifade edilmektedir.

Bahse konu heyet listesi ve Türkiye - Çekya İş Forumu taslak programı Ek'te (Ek-1) yer almaktadır.

Bilgilerinizi arz/rica ederim.

Saygılarımla,

İsmet SALİHOĞLU  
Genel Sekreter

## **Çek Cumhuriyeti Başbakanı Andrej Babiš'in resmi ziyareti kapsamında Türkiye - Çekya İş Forumu, 4 Eylül 2019, İstanbul**

**Kime:** Oda Temsilcileri

**Kimden:** Nazmi V. Akıman, DEİK/Türkiye - Çekya İş Konseyi Başkanı

Çek Cumhuriyeti Başbakanı Andrej Babiš'in resmi ziyareti kapsamında DEİK/Türkiye - Çekya İş Konseyi ve Çek Ticaret Odası(Komora) işbirliğiyle **4 Eylül 2019 Çarşamba** günü Swisshotel The Bosphorus Otel'de "**Türkiye - Çekya İş Forumu**" gerçekleştirilecektir.

2004 yılında AB'ye üye olan Çekya, 2014-2018 yılları arasında yıllık ortalama %3,6 büyümüştür. Doğrudan yabancı yatırımlar (DYY) için ucuz ve nitelikli işgücü ve coğrafi konumuyla cazip bir ülke olan Çekya'ya 1999-2019 arasında ortalama GSYH'sinin %5,3'ü kadar DYY gelmiştir. Çekya'nın 2018 ihracatı 202,3 milyar USD'ye ulaşırken ithalatı ise 184,5 milyar USD seviyesine yükselerek ihracatta Norveç, İrlanda, İsveç, Avusturya ve Endonezya'yı geride bırakarak dünyanın en çok ihracat yapan 28. ülkesi olmuştur.

Çek Cumhuriyeti Başbakanı Andrej Babiš, T.C. Ticaret Bakanı Ruhsar Pekcan ve Çek Cumhuriyeti Sanayi ve Ticaret Bakanı Karel Havlíček'in onurlandırmalarıyla gerçekleşecek iş forumuna katılım sağlayacak önde gelen Çek firmaları ile ikili görüşmeler gerçekleştirilmesi imkânı olacaktır. Çek heyetinde ağırlıklı olarak enerji, savunma ve havacılık

sanayi, ; otomotiv, motorlu taşıtlar ve tedarik sanayi, inşaat ve alt yapı, bankacılık ve finans, elektrik ve mühendislik sistemleri, lojistik ile ileri teknoloji alanlarında faaliyetleri bulunan firmalar yer alacaktır.

Söz konusu heyet listesi ve Türkiye - Çekya İş Forumu taslak programı ekte bilgilerinize sunulmaktadır.

Türkiye ve Çekya arasındaki ticari ve ekonomik hareketliliğe önemli ivme katacak söz konusu İş Forumu'na hâlihazırda Çekya ile iş yapan veya yatırım ve ticaret imkânları konusunda bilgi sahibi olmak isteyen üyelerinizin katılımını diler, katılım için firma temsilcilerinin aşağıda yer alan kayıt formunu doldurması ve toplantı katılım bedelinin kayıt formunda belirtilen DEİK hesap numarasına **2 Eylül 2019 Pazartesi** günü mesai bitimine kadar ödenmesi rica olunur.

Networking ve Açık Büfe Öğle Yemeği

Business mission accompanying the Prime Minister of the Czech Republic, H.E. Mr. Andrej Babiš, to Turkey			
Company	Participant	Position	Profile
1 AERO Vodochody AEROSPACE a.s.	Jakub Hoda	Sales Vicepresident	Aero is the biggest manufacturer of aviation technology in the Czech Republic. It is engaged in the development, production, sale and servicing of military and civil aviation technology. It focuses on the development, production and maintenance of its own aircraft and on cooperation with leading aerospace manufacturers in international cooperative projects. As part of the military program, it has been a longtime partner of the armed forces of several countries, in particular the Armed Forces of the Czech Republic.
2	Peter Bodnár	Committee Chairman	CPIA was established in September 2015 as a non-exclusive partnership of companies, who are active in design, manufacturing, deliveries and installations in nuclear power plant projects. Czech industry has a long record of activities in nuclear sector, in history 80% of NPP equipment were produced domestically. The know-how and craftsmanship remained, so the companies are capable of deliveries of various commodities for NPP worldwide. CPIA is lead by ŠKODA PRAHA, a leader with unique experience of being the EPC contractor of all domestic nuclear units. CPIA is also supported by Czech government as it meets the official requirements from National Action Plan for development of nuclear power.
3 Alliance české energetiky z.s. (Czech Power Industry Alliance)	Radim Hrubý	Sales Director	REGULAR MEMBERS SKODA PRAHA DOOSAN SKODA POWER I.B.C. PRAHA SIGMA GROUP SKODA JS ZAT ALTA VTK POWER INDUSTRY ASSOCIATE MEMBERS ARAKO ELEKTRO KROMĚŘÍZ KIP BRNO OSC VITKOVICE HEAVY MACHINERY ZVZ GROUP
4	Milan Šimonovský	Committee Member	Engineering services related to nuclear fuel cycle o Licensing review and support (fuel and new builds – PWR/VER technology) o Core design and Reload Safety Evaluation o Nuclear Fuel manufacturing qualification and QA/QC auditing o Plant Start-up Tests and Operation and Reactor Core performance evaluation o Fuel cycle cost analysis and optimization o Applied and material research (special equipment development, fuel cladding irradiation testing and "advanced tolerant fuel" related technology development) SW development o ALTHAM - thermal hydraulic code, sub-channel DNS analysis
5 ALVEL, a.s.	František Pazdera	Consultant CEO & Chairman of the Board of Directors	Development and design, manufacture, sale and service of tank semi-trailers. Liquid, food, oil, hot products (chocolate, paraffin) tanks, lightweight ADR/LGBF chemicals such as alcohol, biobutanol, or Ad Blue, ADR class LADR-EN for chemicals and acids and petroleum products. We provide retrofit accessories such as pumps and heating. Sales and service is in a convenient location in the middle of Europe near the D2 highway near the city 891 48 Breclav. Location at the borders of two states SK and A in the availability of links between the national road network and the artery to the east of Europe and the Balkan states. 7 B:TECH, a.s.	Igor Zahradníka	CEO	Czech Export Bank (the "CEB") is a specialised, directly and indirectly state-owned banking institution. Established in 1995, it forms one of the pillars of the government's pro-export policy system. CEB's mission is to support Czech exports and the awareness of the Czech Republic as a well-established international partner, and thus promote the overall competitiveness of Czech products throughout the world. CEB focuses on financial services related to exports. CEB has many years of experience in financing major export transactions of Czech exporters, as well as financing export contracts for smaller units or partial deliveries. Currently, it is foreign buyers - Czech exporters' partners - to whom most CEB's products are being disbursed, and for whom Czech goods and services are becoming attractive, not only due to their quality and reasonable prices. All CEB's activities are in full compliance with the rules of WTO (World Trade Organisation), the relevant recommendations of OECD (Organisation for Economic Cooperation and Development) and EU directives.
8 Czech export bank	Jaroslav Vyběrný	CEO

27	OPTOKON, a.s.	Jiří Štefl Statutory Director	Production activities: • Connectors, Cable Assemblies • Splitters, WDM, CWDW, and DWDM • Cable Management Systems • Data Network Equipment • Test Equipment • Heat Exchanger, Optical Network • Service and installation of optical networks • Service and Calibration Center	<a href="http://www.optokon.cz">www.optokon.cz</a>

We are mainly looking for component suppliers and partners for joint ventures. Another reason we want to take part in this bid is our purchase of JAWA Factory s.r.o. in Diviřov, which manufactures speedway motorcycles. The best known speedway race in the Czech Republic is the Golden Helmet in Pardubice. JAWA Factory products, both speedway and road motorcycles in cooperation with other companies. We want to pick up again on the Turkish market, because a few years back there were JAWA motorcycles very popular.

**I would like to meet following partners, contacts:**  
We have been working with Turkish companies for more than 10 years and we want to expand these relationships. We are also looking for a new company for expansion for HAGEMANN products and especially for JAWA Factory s.r.o. in Diviřov.

**Customers, EPC contractors for delivery of valves to tenders, eventually distributors of our products in the territory**

Investment partners, clients, co-operations.

Our Czech - Turkish joint Venture company Metrostav Ankara İnşaat, A. Ş. is searching for possible customers (public and private) and for partners for possible consortia of contractors for specific projects.

**I would like to meet following partners, contacts:**  
We have daughter company - Czech - Turkish Joint Venture Corporation Metrostav-Ankara İnşaat, A. Ş.

Local representatives and partners for long term cooperation

customers, clients, co-operation, new market for our products etc.

Jan Děcký	Statutory Director	<p>Overhauls and modernization of wheeled and tracked military land vehicles.</p> <p>Production of ammunition (small-caliber, anti-tank, tank, artillery, engineering ammunition).</p> <p>Production of infantry weapons (AK-type assault rifles; RPG-type anti-tank weapon; SPG-type recoilless gun).</p> <p>Demilitarization and ecological disposal of ammunition.</p> <p>Production of industrial explosives.</p>	<p>www.stvgroup.cz</p>
33	ŠKODA PRAHA a.s.	Jan Štancil	Chairman of the Board of Directors, CEO	<p>ŠKODA PRAHA is a traditional Czech Engineering, Procurement &amp; Construction (EPC) Company that delivers power plants projects on turnkey basis – our scope includes design, procurement &amp; supply, construction, start-up and commissioning as well as warranty and post-warranty services. ŠKODA PRAHA also provides wide range of various engineering and consultancy services. As an EPC contractor of nuclear power plants in the Czech Republic and Slovakia, ŠKODA PRAHA has developed competency for supply of conventional island and balance of plant.</p> <p>Areas we serve: FOSIL FUEL PLANTS (Coal fired, Gas Fired, Oil Fired) NUCLEAR POWER PLANTS (Conventional Island, Balance of plant) RENEWABLES AND WASTE TO ENERGY (Biomass, Biogas, Waste to Energy)</p> <p>Our strengths: More than 60 years of history Worldwide references in more than 25 countries More than 40 000 MW of installed capacity</p>	<p>www.skodapraha.cz</p>
34	ŠKODA TRANSPORTATION a.s.	Marek Herbst	Vice President - Service	<p>Škoda Transportation is one of the leading European companies in the field of transportation engineering. Key products of Škoda Transportation include low-floor trams, electric locomotives, underground vehicles, suburban trains, trolleybuses, electric buses as well as traction motors or complete driving gears for the transportation systems, everything including full services. The Škoda Company employs more than five thousand people in Plzeň, Prague, Ostrava, and Sumperk and the particular projects are solved also by subsidiary companies that work in Finland, Germany, Russia, or Hungary. Due to the high-quality work of more than seven hundred constructors, project architects and designers and due to hundreds of millions of crowns per year invested into the research and development, Škoda Transportation is able to keep launching new and modern products, which are successful in many world markets. The company has made a total investment of four milliard crowns just during the last years. Corporate social responsibility is one of the highest priorities for Škoda Transportation. The aim of the company is to provide high-tech solutions for transportation which would support sustainable development. Škoda Transportation sponsors various sports and charity activities with tens of million Czech crowns every year.</p>	<p>www.skoda.cz</p>

35	TATRA TRUCKS a.s.	Petr Hendrych	Vice Chairman of the Board, Chief Commercial & Marketing Director	<p>The Czech automotive maker, known under the TATRA brand, ranks among the oldest car and truck factories in the world and, with our more than 116-year continuous activity we have significantly influenced the automotive industry in the Czech Republic, as well as abroad.</p> <p>The main production program covers heavy-duty off-road vehicles and trucks for combined on/off road transport, which are constantly improved to meet increasing customer requirements. A high level of human potential represents a significant advantage of TATRA TRUCKS a.s., not only in R&amp;D but also in terms of the production capacity.</p> <p>TATRA-branded trucks are based primarily on the Tatra design concept, consisting in chassis with central backbone tube and independently suspended swinging half axles, which has so far not been successfully imitated by anyone. Heavy TATRA trucks are famous for their go-anywhere ability in most difficult terrains under extreme weather conditions, high reliability and excellent utility properties. TATRA resists both to frosty weather and abnormally high desert temperatures.</p>	<p>TATRA perceives Turkey as growing market and is looking to support partners with local companies to overcome the cultural and language barrier, provide local content and to make the production cost in this area more effective.</p> <p>TATRA has been cooperating with AIOS for last couple of years and we are even deepen our cooperation and great relations with AIOS and we wish to We are also interested for export projects with Turkish OEMs.</p>	www.tatra.cz
36	VAE CONTROLS, s.r.o.	Martin Pechta	General manager	<p>Key activities in Oil&amp;Gas industry with focus to:</p> <ul style="list-style-type: none"> <li>- Construction and re-construction of tank farms and terminals for petroleum products for civil, aviation and military purposes</li> <li>- Terminal control and administration system TAMAS®</li> <li>- Additive dosing including aviation and military fuels</li> <li>- Skids solution for metering of crude oil and petroleum products - tanktrucks, railcars and ships loading and unloading</li> <li>- Design and engineering of the above</li> <li>- High quality and most modern solutions to enable safe, accurate and environment-friendly operation</li> </ul>	<p>Clients - fuel terminal operators, refineries, airports, army logistics dept.
